“To My Husband”

My heart is saddened now because I know the loss is real.  
I will always be grateful to God for the 47 years we shared.  
You were a wonderful husband, an excellent provider; you were my very best friend.  
I loved you dearly and you meant the world to me.  
Our time together was well spent, so from above please keep me strong;  
just hold me up as you have done all along.

Your Loving Wife,  
*Barbara*

## “To My Dad”

When you first met my mother, there was no way to know,  
That over time, I'd love you,  
As the years would come and go  
You made the Choice to love me as your own  
You stepped up to provide, protect, encourage and love  
You may not have given me the gift of life, but you have  
Given me the gift of You.

We shared a special bond that I hold dear to my heart  
If I had a choice I would choose you every time  
my loving, charming “Bonus Dad”, I am so happy you  
were mine

Love your daughter,

*Nicky*

## “To My Dad”

I thought of you today, but that is nothing new.  
I thought about you yesterday and day before that too.  
I think of you in silence, I often speak your name.  
All I have are memories and your picture in a frame.  
Your memory is a keepsake from which I'll never part.  
God has you in His arms,; I have you in my heart  
Love your son,

*Troy*
