He Only Takes The Best

A heart of gold stopped beating.

Two shining eyes at rest.

God broke our hearts to prove to us,

He only takes the best.

God knows you had to leave us,

But you didn't go alone,

For part of us went with you

The day He took you home.

To some you are forgotten,

To others just part of the past,

But to us who loved and lost you,

The memory will always last
