Daughter, Older Sister, Mother, Father (yes I said Father),
Nana, Best Friend, and Elvis Presley
"King of Rock -N- Roll"
Fan to say the least.

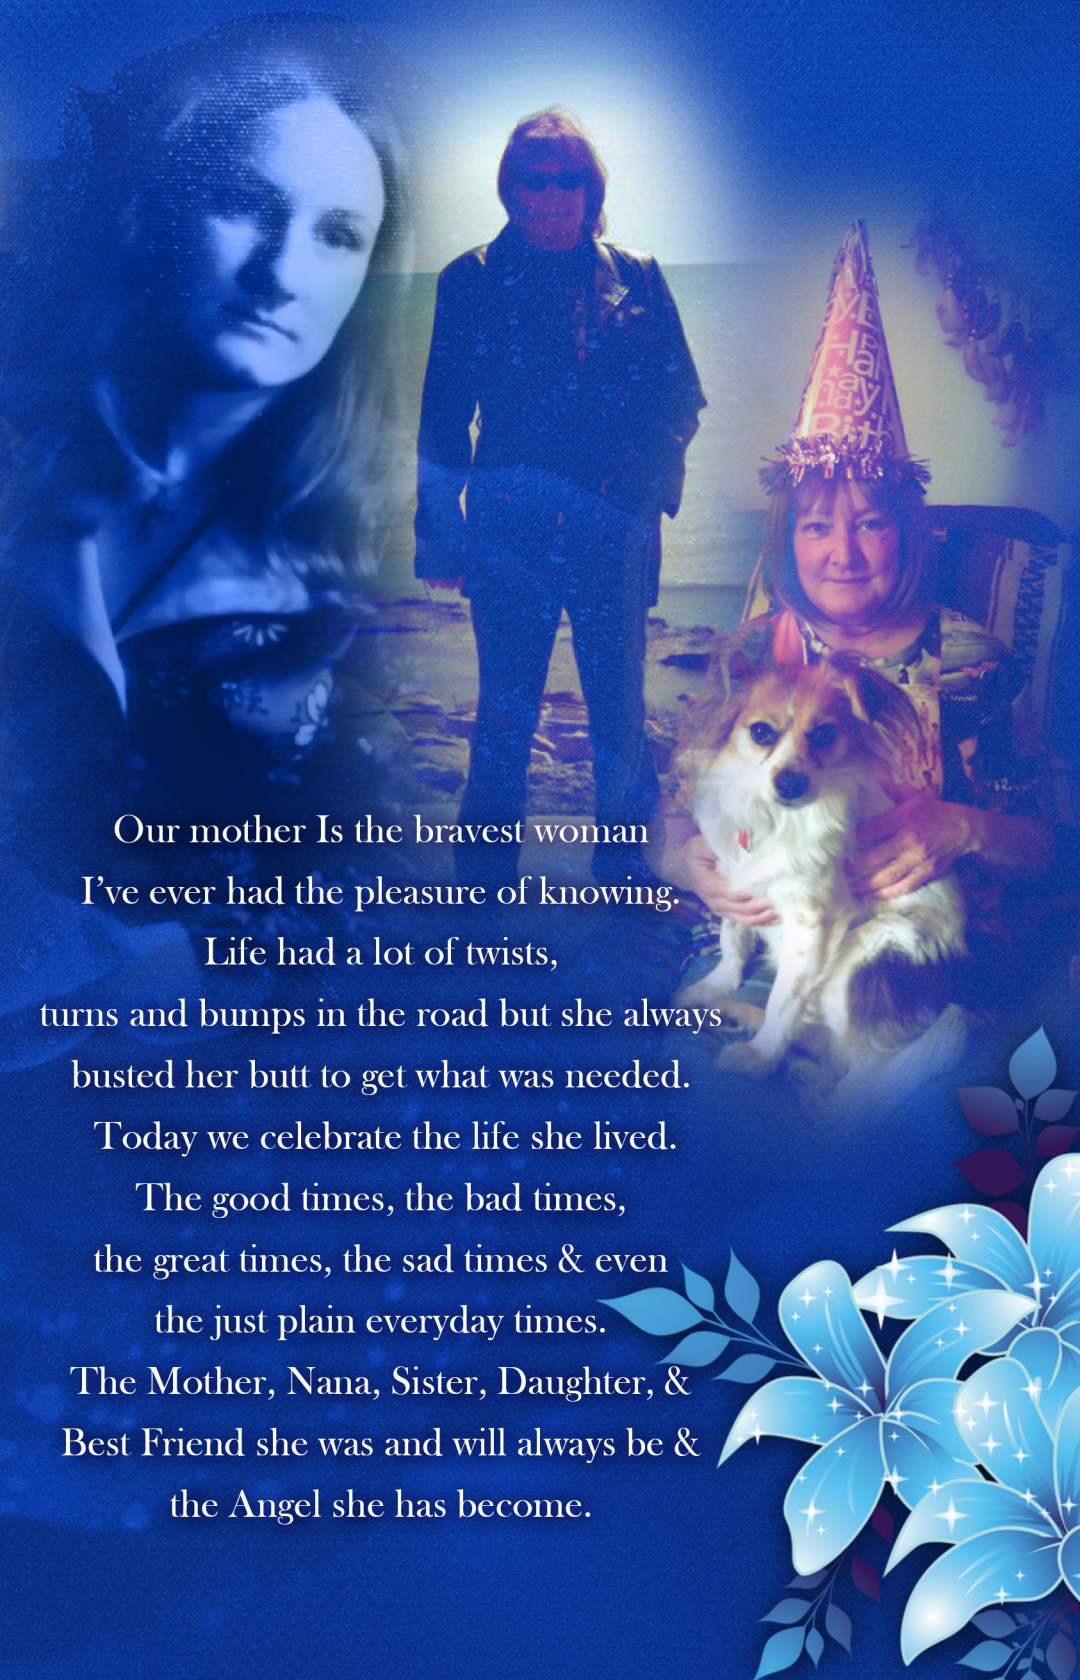

*“An angel sent from above, is mama
And everyone fell in love, with mama
Mama’s so sweet, mama’s so nice
Whether there is trouble, take mama’s advice...”*

-Elvis Presley

Our Mothers are our first companions.
Growing up, they are the keepers of our
darkest secrets and the one person who
loves you the most. No matter how stubborn,
different, or bad we are, they stick with us.

Even when they can’t stand us.
Therefore, losing them is unimaginable.
It breaks our hearts and leaves us feeling
lonely even when we are surrounded by
loved ones. A mothers love is irreplaceable.

Our mother Is the bravest woman
I've ever had the pleasure of knowing.

Life had a lot of twists,
turns and bumps in the road but she always
busted her butt to get what was needed.

Today we celebrate the life she lived.

The good times, the bad times,
the great times, the sad times & even
the just plain everyday times.

The Mother, Nana, Sister, Daughter, &
Best Friend she was and will always be &
the Angel she has become.

*Rest in Peace Mama you are pain free now,
for that and only that reason I am grateful.*

*Give everyone a hug for me,
do a shot, drink a beer and smoke a little.*

*I will forever hold you in my heart,
I Love you Mom, now and forever.*
